Policy Objectives of ROPA 34

- Include the Mayfield West Phase 2 Stage 2 lands in the Mayfield West Rural Service Centre Boundary to accommodate approximately 7,000 people and 500 jobs for a density of 71 people and jobs per hectare (above the minimum 50 people and jobs per hectare required in the 2019 Growth Plan.)

- Complete the Mayfield West Phase 2 community through the extension of street networks, efficient use of infrastructure, and the provision of parks, schools, trail connections and commercial areas.

- Guide future secondary planning related to:
  - identification and protection of a natural heritage system;
  - demonstrating a contribution towards affordable housing;
  - planning for the future GTA West Corridor; and,
  - considering minimum distance separation setbacks to agricultural operations.

- Require lands and associated growth allocated to Mayfield West Phase 2 Stage 2 to be accounted for when planning for growth to 2041 as part of the Region’s Municipal Comprehensive Review.
